Terms and conditions of sale and resale:

✓ **E-ticket purchases for tourism professionals:**

As tourism professions, you are required to purchase your tickets via the CMN's B2B e-ticketing platform. The B2C e-ticketing platform is solely reserved for private individuals.

✓ **Existing e-ticket validity:**

Previously purchased tickets still in your possession (and not used) remain valid at all times of day, in both high and low season, within the limits of available stocks.

✓ **New ticket orders:**

For your next order, tickets must be purchased in accordance with the high or low season price. Login to your B2B account remains unchanged. You will have automatic access to the different purchase options in the navigation.

✓ **E-ticket validity:**

The conditions governing validity of our tickets remain unchanged: tickets purchased at high season price are valid for 3 years (36 months) in all high season periods. The same goes for low season tickets.

✓ **Conditions of B2B2C resale:**

Your resale calendar must be aligned with the full rate price in force at the monuments' ticket desks for the current period. We remind you that tickets cannot be resold at a loss or with the intention to undercut the offering proposed by the CMN. Failure to comply with the above will cause your tickets to be refused.
